We would be happy to share more about our individual programs and how you can get involved.

About Holy Cross Services

Holy Cross Services (HCS) is a non-profit, 501(c)3 direct service organization serving children, youth, families, and adults across Michigan since 1948.

We envision a community where family and home are certainties for everyone.

HCS operates a variety of programs in the child welfare and homelessness sectors.

Our History

Holy Cross Services was founded in 1948 to meet the needs of Michigan's children with nowhere else to turn.

Over the years, as the needs of children and families changed, as we learned more about healing and social justice, and as more communities requested our partnership, HCS's services morphed into the statewide wraparound supports we provide today.
